On March 14, 2021 the Board of Trustees will host the annual Painesville Township St. Patrick's Day Parade. We hope that this year the weather and covid will allow us to hold the parade. The parade is a continuation of a parade that was started by several private citizens in 2015. The parade will feature Township based community organizations including the:

- Painesville Township Fire Department
- Painesville Township painted snowplows
- Grand Marshalls Tim Cannon, Jim Falvey, and Jim Sievers
- Local dignitaries and officials
- The Lake County Sheriff's Office
- Many volunteer participants including local businesses, the Leroy Township Softball League, City of Painesville and Lake Metroparks Mounted horses, Young Miss Maple Queen, antique cars, music, and more!

The parade will begin at 3 pm at the Lake County Fairgrounds and travel .8 miles west to Hellriegal's Inn. The parade is expected to last 30 minutes.

At this time the parade is still being organized. We will add participants as they become available.
