## TRUSTEE NOTES

### RECYCLING:

The Recycling Center located at the Township Road Department at 558 Fairport Nursery Road will be closing on Thursday, May 30, 2013 at 3:30 p.m.

While the Trustees feel that recycling is very important, it has put an increased burden on the Township fiscally through the increased use of manpower. It has also had a negative impact on residents living in close proximity to the drop locations. Continuing to fund a Township recycling program would not be in the best interest of the Township as a whole. Therefore we are discontinuing the service. As always, the Trustees' number one priority is providing the most necessary services to the residents while ensuring the best use of both manpower and budgetary resources.

The Township does not regulate the trash service, thus allowing the residents the freedom to choose their own carrier. On this premise, we are trying to supply information below listing the various trash haulers and their prices for trash collection as well as recycling (if they offer it), in hopes of giving the Township residents an option to keep recycling.

The highest price for recycling listed below is \$5.00 per month.

The Trustees in no way endorse any of the Trash Haulers listed below, we are just trying to provide another option to our residents when it comes to recycling.

### POTENTIAL HAULERS

1.) Major Waste Disposal Services  
6430 Vrooman Road  
Painesville, Ohio 44077

Phone: 440-254-4929

2.) Universal Disposal, Inc.  
9954 Old State Road  
Chardon, Ohio 44024

Phone: 1-888-246-8081

3.) Waste Management of Ohio, Inc.  
10237 Cutts Road  
Chardon, Ohio 44024

Phone: 1-866-797-9018

### TRASH AND RECYCLING COSTS

#### Current Cost Ranges are as follows:

- 1.) Customers using their own bags or cans, \$21 / Month Trash only.
- 2.) One of our 96 Gallon Toters \$22/month Month Trash only.
- 3.) Trash and Recycling \$25.50 / Month includes 96 Gallon Toters (Trash) 64 Gallon Toters for Recycling
- 4.) Existing Customers adding Recycling, an additional \$3.50 / Month.
- 5.) Customers only wanting to Recycle, without Trash service, is \$5 / Month.

#### The Following Fees do apply:

- A.) One Time Delivery Charge of \$25.00 plus fuel surcharge to have containers delivered.

#### Current Cost Ranges are as follows:

- 1.) \$19.50 / Month plus fuel surcharge for Trash and Recycling Services which include 4 – 30 gallon size cans or 5 garbage bags (Trash) your own containers (Marked Recycling) or purchased blue bags from grocery stores for Recycling.
- 2.) \$19.50 / Month plus fuel surcharge for Trash and Recycling Services which includes Delivery Charge (See above) and a 96 Gallon Polykart (Trash) and a choice of 64 Gallon Polykart or 18 Gallon Bins.

Universal Disposal, Inc., doesn't provide just Recycling Services, you must subscribe to both Trash and Recycling to use their services.

#### The fees do range based on the following:

- A.) If paid in full for the year.
- B.) The Rate, based on Street address / location.
- C.) Rates established prior to other customer sign-ups.

#### Current ranges: plus any fees are as follows:

- 1.) \$19 - \$24 for 5 containers / bags of trash
- 2.) \$21 - \$26 for 95 gallon cart service
- 3.) Pre-paid Orange bags @ \$2:50 to \$ 3:50 per bag

No Recycling is offered at this time due to a lack of a residential volume commitment.

The Operations Team is working on a plan to market to the residents to offer Recycling service with a commitment level based on the responses from residents.

# TRUSTEE NOTES

cont'd...

4.) Scheiber's Hauling  
P.O. Box 1106  
Fairport Harbor, Ohio 44077-8106

Current Costs are as follows:

1.) \$17 / Month Trash Only, includes 96 Gallon Toter on Wheels.

Phone: 440-477-9211

At present time No Recycling is offered, but they are working on a recycle program and will be establishing rates.

## Attention Township Seniors:

The Trustees once again have made a donation to both the Fairport Harbor Senior Center and the Painesville Area Senior Citizens Center, which allows Township Seniors to use either of the facilities. For more information contact the respective center as shown below:

Fairport Harbor Senior Center  
1380 East Street  
Fairport, Ohio 44077  
Phone: 440-354-3674

Painesville Area Senior Citizens Center  
85 N. Park Place  
Painesville, Ohio 44077  
Phone: 440-352-8095

## Beach Season is Around the Corner

Did you see the Harmful Algae Bloom (HAB) in Lake Erie last summer? The HAB, caused by cyanobacteria, turns the lake to the color of pea-green soup. The algae bloom can also be harmful to your health if you swim in or ingest the water. Did you know that you can help prevent the HAB this summer? The cyanobacteria feed off nutrients in the water. The nutrients wash into the lake from fertilizer, sewage, pet waste, and yard waste. Remember, anything that flows into a storm drain will flow directly to Lake Erie!

We all want nice beaches and clean water for swimming this summer, so do your part to keep nutrients out of Lake Erie this spring and help prevent a HAB:

- Properly dispose of any leaves, branches, and grass clippings. Never dump yard waste at the banks of streams or in a storm drain.
- The best time to fertilize your lawn is in the fall. If you do fertilize this spring, only use the necessary amount and apply it according to the instructions on the label.
- Ensure all your household wastewater plumbing is properly connected to your septic system or the sanitary sewer.
- Pick up after your pets frequently and discard pet waste in the trash.

For more information, contact the Lake County Stormwater Management Department at (440) 350-5900 or visit [www.lakecountyohio.gov/smd](http://www.lakecountyohio.gov/smd).

## Do You Know???

**That the population of Painesville Township is over 16,000 people.**

**That the Township services over 100 lane-miles of improved roadway.**

**That the Township charges no income tax.**

## A Big THANK YOU!!

Over the years, many Township residents and businesses have worked very hard to spring-clean and landscape their properties. The Township is grateful to all that help build pride in our community by beautifying their workplaces and homes.

## Metal Recycling - Free Appliance Pick-Up:

For free pick-up and removal of Refrigerators, Stoves, Washers & Dryers, Hot Water Tanks, Microwaves, other appliances, and batteries - Contact (440) 669-7552 for service.

**Note: A Freon disposal fee may apply**

# ZONING DEPARTMENT

## 2013 Zoning Permit Summary

2013 has gotten off to a great start and good things are happening in Painesville Township.

A total of 73 Zoning Certificate applications were received during the first four months of this year. This represented an increase of 46% from the same period last year. Here is a break-down by category:

* New dwellings	9	* Accessory Use	1
* Commercial	2	* Transient Vendor	1
* Industrial	2	* Site Plan Reviews	1
* Zoning Use & Occupancy	11	* Zoning Amendments	0
* Alterations	1	* Zonig Appeals	2
* Fences	11	* Conditional Uses	2
* Signs	8	* Exemptions	6
* Swimming Pools	6	* Right-of-way Access	0
* Residential Additions	4	* Non-Conformance	2
* Accessory Structures	4		

A total of five (5) permit applications have been denied for various reasons.

## SAYING HELLO & WELCOME TO NEW BUSINESSES IN 2013

Child Care On The Square	1697 Mentor Ave.
Frank's Storage	471 Newell St.
Nouvelle Femme	1525 Madison Ave.
Regency Insurance Agency	1930 Mentor Ave.
Trend Hair Salon	2025 Mentor Ave.

In addition, the Clothing Cottage operated by the **Christ Child Society of Western Reserve**, is moving to 1509 Mentor Ave. **Hardy Industrial Technologies** is in the process of building a new warehouse and manufacturing building with plans for more expansion in the near future. The **Lake County Department of Utilities** is also reconfiguring the former Minimum Security Facility on Blase Nemeth Road for use as a Customer Service Center and Engineering Facility. **Goodwill Industries** is planning on opening their new Donation and Retail Center at 2175 Mentor Ave. later this year. And we are expecting even more positive things over the next several months.

## Outside The Walls

The Zoning Resolution contains provisions and restrictions for things that both residents and business operators may do outside the walls of their buildings and structures. Many of the things you may consider doing outdoors will require a zoning permit prior to your doing them. The most frequent violations of our zoning code have to do with the use of signs. It is recommended that you call the zoning office before placing any sign, other than a for sale or open house sign on a property for sale, anywhere in the Township. This recommendation applies to both residents and business operators.

# FIRE DEPARTMENT

## New Equipment & Grants

We are in the process of installing a new Fire Station Alerting System (FSA). The system involves all the fire departments that are dispatched by Lake County Central Communications. Perry Fire District submitted for the grant to purchase and install the system, which was awarded last year.

The system will save response times; by alerting stations individually or simultaneously. The system will tie into the Computer Aided Dispatch (CAD) system the County currently uses now and will be upgraded by the end of the year. The CAD system will allow "run cards" to be built that tells the dispatcher what units are available and what units get sent out on the next call. These systems will save time by not requiring the dispatcher to talk to and confirm with the Fire Department officer who should be going on a given call.

The new system will assist us in becoming National Fire Protection Association (NFPA) compliant with our dispatch system. We currently have only one system in place to notify and alert stations of a call. The FSA upgrade will allow us to have two paths of communication, radio and internet (IP). The additional pathway will allow more information to be available to the responding units as they answer a call.

## Reduction in Revenues

The Township is still facing significant reduction in revenue. Several years ago, the Ohio legislators passed HB 66 that called for the elimination of Tangible Personal Property Tax (TPPT) and replacing that system with the Commercial Activities Tax (CAT). The replacement plan called for the gradual reduction of the local reimbursement from the TPPT, with total elimination of the reimbursement occurring in 2017. Painesville Township will lose approximately \$500,000 in local revenue over that time. Our community is one of the most affected in Ohio due to our large industrial base. The formulas have been changing as to what percent we get and how much each year it will decrease.

- In addition to the loss of TPPT, we are faced with the reduction of Local Government Funds distributed by the Lake County Commissioners. We also will be expecting a reduction in collections and the affect of the decrease in property values might result in a decrease in inside millage revenue.
- The most recent affect on our revenue is from the reduction in property values in the Township. We have a 2.05 inside millage levy for Fire Department operations. Income from that levy grew over the years as property values went up, however with the down turn in the economy and property values, the income from that levy is about \$250,000 less than we received in 2009. That loss added to the reduction in Tangible Personal Property Taxes (TPPT) has had a net effect of a loss of approximately \$800,000 to our revenue stream.

## Fire Department Operating Budget

The Fire Department operating budget is \$3.5 million for 2013. We have been working with a bare bones budget for the last 5 years. These are challenging times to still provide the level of Fire and EMS services while working with less money.

- We have elected to refurbish a 1995 rescue squad for a cost of \$50,000 vs. \$120,000 for the cost of a new one.

- We have rebuilt the pump on a 1994 New Lexington fire engine and are exploring the cost of a refurb on that unit. In order to get credit from the Insurance Rating Organization (ISO) we must recertify the pump and engine, which will take place this month.

- We house and share the cost of a rescue squad with the Fairport Harbor Fire Department and we do truck maintenance for the Grand River Fire Department as well as co-staff their fire station.

The Painesville Township administration looks for every opportunity to share costs and save money with other communities, as all communities are facing the same challenge.

## Visit us on Facebook

Check out our Facebook page, Painesville Township Fire. We are still working to provide you more information on the Fire Department, how it works and what we do. We intend to have past months call information, current classes, special events, information about our personnel and equipment posted and updated on a regular basis.

# ROAD SERVICE DEPARTMENT

The following roads will be repaired this summer construction season pending acceptable bids:

Stratford Rd.  
Pebblehurst Ct.  
Bellaire Dr.  
Fanwood Ct. (partial)

Wellesley Blvd.  
Bryn Mawr Dr.  
Appletree Ct.

The Road Service Department employees have recently attended training courses through the Lake County Stormwater Department, the Ohio Utilities Protection Service, First Energy Company and the Northeast Ohio Snow and Ice Technologies Workshop where the Township's salt brine truck was on display.

The brush, leaf and yard waste drop off area is open on Wednesdays from 7:30 AM until 3:00 PM and on Saturdays from 10:00 AM until 2:00 PM. This service is for Township residents only and proof of residency may be required.

Curbside Brush Pickup: June 10<sup>th</sup> from 7:30 AM until 3:30 PM.

## Keep Us Posted

Please notify the Road Department of any missing or damaged street, road or stop signs. If you keep us posted, you will help us keep the roads signed properly and safe.

PAINESVILLE TOWNSHIP TRUSTEES  
55 Nye Road  
Painesville Twp., Ohio 44077

**POSTAL CUSTOMER**  
Painesville Twp., Ohio 44077

## DATES TO REMEMBER

**June 8<sup>th</sup> – Household Hazardous Waste Collection**  
From 9:00 am. to 3:00 pm. at the Lake County Fairgrounds  
(no fee)

**Acceptable Items: Household Cleaners and Solvents:**  
Thinners Kerosene, Turpentine, Lighter Fluid, Strippers,
