TRUSTEE NOTES

The Trustees previously designated the three Fire Stations in Painesville Township as "Safe Exchange Zones" for residents to use to exchange items purchased on the internet. These safe exchange zones provide a lighted, public place to meet with people that you may not have met before. The Trustees would like to thank Jim Sievers from Sievers Security for donating a camera for the parking lot at Station One on Nye Road. This camera provides another level of safety and security for people using the station for exchanges. We now have cameras in the parking lots at Station One on Nye Road and Station Three on Hardy Road. It is always a good idea to call the Fire Station ahead of time when you are planning to meet someone. Please remember that the Fire Station may be unoccupied if the Department is called out for an emergency.

Trustees Gabe Cicconetti, Chuck Hillier, and Josh Pennock are sponsoring a Resident Document Shredding Day on Saturday, September 16, from 11:00 am until 1:00 pm. Bring your paper documents to the Service Garage located at 558 Fairport Nursery Road and a Trustee will be there to help unload your vehicle. Please remember that this event is for Painesville Township residents only.

This summer, the Trustees started a program where we recognize and thank residents and businesses who take exceptional care of their lawns and property. We appreciate residents who take pride in their property and go the extra mile to make a great presentation. We have placed a yard sign in each yard / business telling everyone that this is a "Beautiful Lawn & Garden". This is the first summer for this program, and we could not recognize every deserving yard. We will continue to recognize property owners next sum-

mer beginning in May. The residents and businesses that we have recognized so far are located at:

73 Nelmar Drive
164 Hawthorne Drive
1001 Carson Avenue
44 Dorchester Road
1922 North Ridge Road

The Streetscape Project has begun. The Trustees applied for a grant to build five glass-enclosed bus shelters along Mentor Avenue several years ago. The grant will pay for 100% of the cost of the bus shelters. Once the concrete pads and solar powered lights are constructed, LakeTran will build the glass-enclosed shelters and install benches. This project has been a nice collaboration between Painesville Township, Laketrans, the Lake County Engineer's Office and ODOT. All work will be completed by October, just in time for the fall and winter weather!

TOWNSHIP NOTES

Kuhar's Pizza Oven and Dairy Freeze will be closing at the end of this summer's season. This long-time family owned business has been a staple of Painesville Township for 40 years! Many young people started their first job here, including Trustees Josh Pennock and Gabe Cicconetti. The business was started by Ed Kuhar Sr., and his wife Lana. Ed and Lana's children have all worked at the store and have continued the tradition since Ed's untimely passing. Kuhar's has been a generous supporter to many organizations in the Township, especially the Riverside Local School District. Kuhar's has truly been a family tradition for generations. Stop in for your final ice cream or pizza before the store closes at the end of this season.

The new housing development at the former Fairway Pines Golf Course has generated some questions. Here are a few things to know about this new development. Ryan Homes will build up to 257 Homes over the next 5 to 10 years. The

ROAD SERVICE DEPARTMENT

The brush, leaf and yard waste drop off area is open on Saturdays from 10:00 am until 2:00 pm and on Wednesdays from 7:30 am until 3:00 pm. This service is for Painesville Township residents only and yard service contractors are not permitted. Members of the Service Department will be on hand to assist residents in unloading their vehicles.

During the month of November the drop off area will be open Monday through Friday from 7:30 am until 3:00 pm and on Saturdays from 10:00 am until 2:00 pm.

There will once again be two curbside leaf collections this fall. The first pick up will be on Saturday, November 18th and the second one will be on Saturday December 2nd. These collections are for bagged leaves only, and brush will not be picked up. Leaves must be placed in recyclable bags. Loose piles and plastic bags will not be picked up.

Information regarding brush drop off and curbside collections is available on our Township web site at: www.painesvilletwp.com. Open the Service Department tab for information.

The Service Department continues to work in cooperation with our neighboring communities to provide assistance as needed, and also request assistance when needed. We are thankful for the help we receive from the City of Mentor, City of Painesville, Fairport Harbor, Grand River Village, Concord Township and Perry Township. By sharing equipment and services we are able to reduce costs and offer a benefit to all our residents.

The Service Department continues to trim and cut back roadside trees and brush as needed to reduce sight restrictions throughout the Township. While the Township cannot go on to private property to cut trees and brush, we are permitted

to provide this service in the road right-of-way. If you see a corner where visibility is limited due to trees or brush, please let the Service Department know by calling 440-352-2661.

We had three of our snow plow trucks in the Lake County Fair Parade, showing off the fantastic paint designs on the snow plows. The snow plows were painted by Riverside High School art students.

There are two road resurfacing projects beginning in August. North Ridge Road (US Route 20) will be paved during the month of August. North Ridge Road is maintained by the Ohio Department of Transportation (ODOT). Work is expected to be completed by August 31. Through traffic will be maintained.

Hardy Road will be paved beginning in mid-August. Hardy Road is maintained by the Lake County Engineer's Office. Work will be completed by September 31. Through traffic will be maintained.

TOWNSHIP NOTES

cont'd...

development will have one access road from Blasé-Nemeth Road, and one access road from Bacon Road. The developer is constructing several detention basins that are required by the Lake County Engineer's Office, at their own expense. In a separate project, Painesville Township will build a regional detention pond that will help alleviate existing storm water drainage issues in the northeast section of the Township. The Trustees negotiated with Ryan Homes to have 11 acres set aside to build the regional detention pond. These 11 acres have been set aside for the Township to use in the form of an easement, at no cost to Painesville Township. Funding for building the regional detention pond has not been established yet.

The pier being built out into Lake Erie at Painesville Township Park is getting closer to completion. Lake Metroparks is building a handicap-accessible pier that will provide rare access to the lake. This beautiful pier will extend out into Lake Erie by 200 feet. It will be a great location for fishing, sunset and star gazing. The opening of the pier is expected during the month of September.

Two of the largest employers in Painesville Township have expanded their facilities and increased employment in the past year.

Avery Dennison has just completed a 70,000 square foot expansion at their Hardy Road plant. They will expand their product line here, and bring some of their processes and jobs from Indiana.

Lubrizol Corporation has just completed the construction of a 100,000 square foot building and will also bring some processes and jobs from out of state.

T and T Machine Inc. recently moved to a much larger facility on Callendar Blvd. and expanded operations.

The following businesses have also opened in Painesville Township this year.

- Magic Scizzors • Vapor House
- Bless 2 Teach Enrichment Center
 - Dapper Shave and Cut
- Debbie's Laugh and Learn Academy
- Ms. Janie's Thrift Store • Metro PC

PAINESVILLE TOWNSHIP FAMILY FUN DAY

Saturday August 26

11am - 4pm

The Painesville Township Board of Trustees is pleased to sponsor our fourth annual Family Fun Day on Saturday, August 26th from 11:00 am to 4:00 pm. This community celebration is a very family friendly event with free entry, free events and free parking. The event will be held at The Lake County History Center, next to the Riverside School District Campus. Proceeds from Family Fun Day benefit the Lake County Juvenile Diabetes Walk Family.

This year's Fun Day will feature food, games, amusements for kids, the Euclid Beach Rocket Ship Car, Jungle Terry, music, Bus Tours of Painesville Township, the Sheriff's Department SWAT van, fire trucks, a car cruise in, and much more! This year's event includes a Chinese Auction with over 41 items available.

The festivities are being planned by the Township Trustees, Chairman Josh Pennock, Vice Chairman Chuck Hiller, and Fiscal Officer Pro Tempore Gabe Cicconetti. A big thank you to our event sponsors, whose support is critical to our ability to put this event on free of charge. The Trustees also thank the Lake County History Center for hosting our Family Fun Day, and the Painesville Township Service Department for their work in setting up and cleaning up.

Please see our Facebook Page for an updated schedule of events.

The Township Hall Meeting Room is now available for non-profit and charitable groups to use free of charge. The room can be reserved by calling Township Hall at 440-352-1443, or sending an email to mmanary@painesvilletwp.com. The room must be reserved a minimum of seven days before the event. Ask for Mike. The room is not available for private parties.

TOWNSHIP RESIDENTS

Dick and Judy Parker received the Greater Ohio Showmen's Association Lifetime Achievement Award for their many years of leadership in the Ohio Fair Managers Association.

Riverside graduates in the news: Nick Boggs achieved All-American status at the NCAA Division II wrestling tournament. Kenny Pengal competed on NBC's television show "The Voice". Cameron Ruff was named the head football coach at Fairport Harding High School.

Sub Zero Mission is continuing its fundraising efforts to replace the bus they use to deliver clothing to homeless people during the winter. The bus, nicknamed "Gemma", went out of service at the end of the last winter. During the last winter Sub Zero Mission delivered over 9,200 items of clothing to homeless people in need. Please continue to support this worthy charity.

End 68 Hours of Hunger Lake County provides lunches for needy children on weekends, when school lunch programs are not available. This all-volunteer charity is located in the Giant Eagle Plaza on Mentor Avenue. Please consider donating financially, or drop off food items to this helpful charity.
