## TRUSTEE NOTES

The Trustees bid a fond farewell to our Office Manager, Alisa Novak. Many residents have spoken with Alisa over the years when calling Township Hall for information or help. Alisa was very knowledgeable and provided a wide range of information, assistance and guidance to our residents. We appreciate Alisa's professionalism and dedication. The Trustees wish Alisa nothing but the best in her new position with another community. We welcome our new Office Manager, Karen Muro. Karen grew up in Painesville and currently lives in Perry Township. Karen brings a strong background in accounting, office administration and customer service. Karen started with us on August 10<sup>th</sup>.

The Trustees continue to work with the Comprehensive Plan Committee to update our vision for the future of our Township. The committee has nearly completed their draft of the plan and will be submitting it to the Zoning Commission. The Zoning Commission will hold a public meeting to gather input from our residents. After that meeting the Zoning Commission will submit the plan to the Trustees. The Trustees will also hold a public meeting to gather residents input. Those two public meetings have not been scheduled yet, but will occur during the fall. We will post the meeting notices on our website and on our Facebook page. We encourage our residents to attend at least one of the public meetings to give your input on the future of Painesville Township.

The Lake County Land Reutilization Corporation is constructing the new park at the corner of Sycamore Drive and Pontiac Avenue in Township Park. We anticipate the park will open by the end of August. The Trustees are pleased to announce the name of the park will be the Jack Crislip Memorial Park.

Jack Crislip was the husband of long serving Trustee Jeanette Crislip. Jack was a man of vision who cared deeply about Painesville Township. He served on the Painesville Township Park Board for over 20 years, over half of that time as the Park Board chairman. Jack raised over \$250,000 in private donations which resulted in many innovations and improvements to the Township Park grounds and building. As trustee chairman Gabe Cicconetti said, "It is an honor to name this park after Jack Crislip. Jack did a tremendous amount of work to keep the park viable for our community".

A big thank you goes out to Penn-Ohio Wholesale Gardens and Madison Avenue Greenhouse for donating flowers and plants to landscape our three fire stations. Please remember to shop at our local Township businesses.

Do you have sensitive documents like medical records, tax returns or other paper that have private information on them? Painesville Township will hold its first free document shredding day, sponsored by Gabe Cicconetti - Allstate Insurance, for Township residents. This free service will be provided on Saturday September 26, from 11:00 am to 1:00 pm. It will be held behind the Service Garage at 558 Fairport-Nursery Road. This service is for Township residents only, and is limited to three boxes per vehicle. Residents are welcome to view their documents being shredded. We will have people there to assist residents if they would like.

The Lake County Land Reutilization Corp. is demolishing the fifth house in Painesville Township. The house located at 984 Midway Blvd. will be demolished during the month of August.

The Safe Routes to Schools sidewalk construction project will be rebid, with construction to occur in 2016. The Township has just received a Safe Routes to School grant from the Ohio Department of Transportation in the amount of \$5,000. This grant will be used to promote walking and biking to and from school in a safe manner. If your elementary school does not participate in Walk to School Day or Bike to School Day and you would like to participate, please reach out to your school principal or contact Trustee Josh Pennock at [jpennock@painesvilletwp.com](mailto:jpennock@painesvilletwp.com).

September 27 – Great Western Reserve  
Clambake

## SERVICE DEPARTMENT

The brush drop area is open on Wednesdays from 7:30 am until 3:00 pm and on Saturdays from 10:00 am until 2:00 pm. The brush drop area is located at the Service Garage at 558 Fairport Nursery Road.

During the month of November, the drop off area is open Monday thru Friday from 7:30 am until 3:00 pm, and Saturdays from 10:00 am until 2:00 pm. These extended hours are offered to accommodate the large volume of leaves our residents must deal with.

There will be TWO curbside leaf collections this fall:  
Saturday November 7<sup>th</sup> and Saturday December 5<sup>th</sup>.  
Only leaves in recyclable bags will be collected.

The Township contracted for ten roads to be repaved this summer. Paving has been completed, but there are a number of repairs that need to be made to driveways and berms. We are working with the contractor to get these repairs completed by the end of summer.

The Service Department would like to thank Township residents Earl and Virginia Edmonds for hosting an annual picnic lunch for the Service Department. It is always an enjoyable time and the crew appreciates them for thinking of us. This is what makes Painesville Township such a great place to live and work!
