22.15 Purpose and Intent (Adopted by Trustee Resolution 97-27 effective April 10, 1997.)

It is the purpose of this section to regulate adult oriented businesses, to promote the health, safety, morals and general welfare of the citizens of the Township, and to establish reasonable and uniform regulations to prevent the concentration of adult oriented businesses within the Township. The provisions of this section have neither the purpose nor effect of imposing a limitation or restriction on the content of any communicative materials, including sexually oriented material protected by the First Amendment, or to deny access by the distributors and exhibitors of adult oriented entertainment to their intended market. There is convincing documented evidence that the adult oriented businesses, because of their very nature, have a deleterious effect on both the existing businesses around them and the surrounding residential areas adjacent to them, causing increased crime and the downgrading of property values.

The Township Trustees desire to minimize and control these adverse effects and thereby preserve the property values and character of surrounding neighborhoods, deter the spread of suburban blight, protect the citizens from increased crime, preserve the quality of life, and protect the health, safety, and welfare of the citizenry.
