Newsletter is going (mostly) fully digital...

Going digital not only saves time and money, it also reduces waste.

Another benefit to the monthly newsletters is to provide residents with more current, and up to date news and information.

Our next print edition of the newsletter will hit mailboxes in the spring of 2024. This will be the last fully printed edition mailed to residents, unless you opt in to continue to receive the mailed version.

There will be a detachable portion of the next newsletter, allowing residents to sign up to receive future news through the mail.

Residents can also contact Town Hall directly, and ask to be added to the mailing list.

Additionally, all newsletters, digital and mailed, can be accessed on the *Township website* at any time!
