## Home Improvement Season is Here...

Now that spring is here, it's time to start thinking about those home improvement projects.

Please be sure to check if your project requires a zoning permit before you get started.

*Permit applications can be found on our website [HERE](#), along with the basic rules and guidelines.*

If you have specific questions, or need additional information, please reach out to Harley or Sean in our Zoning Department

between the hours of 8:00 - 4:30, Monday through Friday.

**Warm weather means yard clean up and nights around the fire pit....**

Please remember that open burning affects your neighbors near and far.

**Only cooking fires and small recreational fires are permitted in the Township. Fires should only contain clean, dry and seasoned firewood, and be no larger than 3 feet tall and 3 feet in diameter.**

The Ohio EPA also issues reminders and standards related to the open burning laws in the state.  
***Those regulations can be found [HERE](#).***

## **New and exciting updates coming to Hadden Park!**

The Trustees have been working hard to secure outside funding and support to provide more options in our community.

Combining local support and remaining unspent ARPA money, the Township will be installing two pickleball courts, along with a large playground near the pavilion at Hadden Park!

Stay tuned for updates and details, as we expect to break ground this month.
